- **Students:** Teacher's evaluation was done by students at the end of the academic year. This evaluation was done on different parameters. The purpose of this evaluation was to take students feedback on the strong and weak areas of the teacher and to suggest changes or alteration in their teaching methodology. Suggestion Boxes were placed in prominent places in the College premise where students communicated their suggestions.
- **Parents:** Feedback from some parents was collected and analysed. Their suggestion helped in improving the overall activities of the institution.
- **Teachers:** Regular Staff meetings and Departmental Meetings are chaired by the Principal in which the staff discusses various issues related to students, extension activities and examination.
- **Alumni:** The College seeked feedback from its alumni. Their information, guidance and suggestions helped to improve the quality of education and facilities.
